SCHOOL/GROUP INFORMATION PACKAGE

As Alberta's largest non-mountain alpine resort, Canyon is the best place to learn to ski and snowboard! We are proud to offer a wide range of school programming to participants in grades K - 12. School programs are designed to incorporate and emphasize snow safety and the importance of outdoor recreational activities as part of a healthy balanced lifestyle. We feel that every child should have an opportunity to participate in skiing and snowboard-ing. To help facilitate this, we offer cost effective lift, lesson, and rental packages.

This guide will help you organize, plan, and create your group ski, snowboard or snow tubing trip with a strong educational component. Our school lessons are curriculum rich and designed to give students an opportunity to discover skiing or snowboarding in a safe environment. We strive to ensure all students have a fun experience, and spark their interest to stay active through winter sport. Skiing, snowboarding, and snow tubing fits into the Alberta School Curriculum for Physical Education under the general outcomes of activity, health benefits, cooperation, and daily activity. Lessons will be focused on personal safety, warm-up and cool down exercises, potential hazards, first aid, and the technical skills of skiing or snowboarding. We look forward to having your school at the Resort this season.

Groups can plan their trips from late November to mid March. Please contact us and book your trip today!

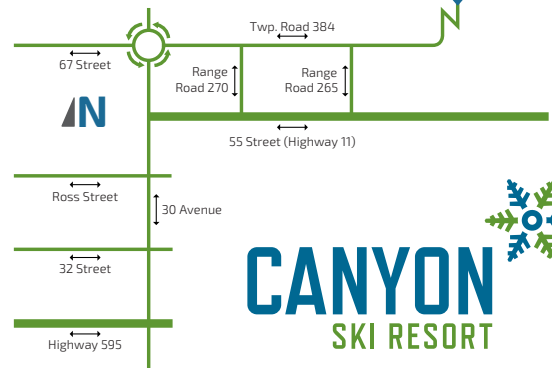

See you on the slopes!

RESORT INFORMATION

– WHY CHOOSE US?

Canyon strives to be the best value, while providing a safe and fun field trip for your group. With a 100 metre Magic Carpet and the best Snow Tube Park in Alberta, we have it all!

Canyon Ski Resort is centrally located just 5 km east of Red Deer. Unlike the big cities, Canyon Ski Resort offers an uncrowded winter getaway during the mid week. Some schools are even able to enjoy the resort exclusively when booking a group of 300 or more!

We offer all inclusive flat rates that we believe represent great value for money, and we think you will agree!

Canyon's diverse terrain offers a graduated slope that eases beginners into winter sports but provides enough of a challenge for even the most avid enthusiast. Our teaching system engages students in an environment that challenges skill, personal, social and cognitive development. The programs are designed using teacher and student feedback provided by CSIA (Canadian Ski Instructor Alliance) and CASI (Canadian Association of Snowboard Instructors) trained staff.

We also have CADS (Canadian Association for Disabled Skiing) trained staff who are able to teach a wide range of Special Needs.

GENERAL TRIP INFORMATION

NEW RFID AREA PASS

- Every person (teacher, student or parent helper) is required to wear a valid area pass while at Canyon Ski Resort.
- Teachers/Supervisors who are not skiing/snowboarding/tubing with their group, but want to walk around outside, and help kids will require a foot pass (**these are free**). We encourage as much support and school presence as possible, that's why they're **FREE!**
- RFID passes should be placed in secure, left side pockets. Keep passes away from electronic devices, credit cards, and foil wrappers.
- Lift gates will sense the card is near and open gates to allow loading onto lifts. Lift operators will be present to assist and address any issues.
- Teachers/Supervisors should return unused area passes to office as soon as possible so you are not charged for them.
- Students without secure pockets may borrow an armband RFID holder for the duration of their visit which must be returned at the end of each trip.
- RFID passes are reusable and in addition to helping save the earth, we will be providing a small treat for each returned RFID ticket at the end of your visit!

RENTALS

- After receiving their area pass, students needing rentals quickly drop off backpacks and lunches at the main floor cubbies, then proceed downstairs to the rental shop via the door next to the guest services office. All others with their own equipment should head straight to the snow school meeting place to wait for lessons.
- Boots are self-serve with teacher and parent assistance required. All students renting ski or snowboard boots will find their size marked as the 1st number on the back of the boots and foot wear can be stored in place of where boots were from on shelf.
- Students then line up to receive their skis or snowboards from the work benches after getting their boots. They then receive helmets. Ski poles are not given out to Never Ever Skiers.
- After receiving their equipment, students should proceed to the exit where a Canyon Staff Member **MUST** record ALL their equipment numbers and ticket numbers.
- After renting, students proceed up the stairs, exit the door on their right to the snow school meeting place, where they will be divided up accordingly for their lessons in front of the appropriate sign.
- Schools accept responsibility to replace broken equipment and damages caused by their students.

SNOW TUBE 10AM-1PM

Our Snow Tube Park is the only one of its kind in Central Alberta with a dedicated tubing lift (so you don't have to walk up the hill) and four tube lanes!

When bringing your group or school out for tubing, whether its for 25 or 125 people, you simply checkin with the guest services kiosk in our upper parking lot to recieve your passes, tubes, and helmets for up to 3 hours of tubing fun!

LESSONS See Outdoor Chalkboard for Daily Lesson Start Times (will vary)

- We strongly encourage everyone to participate in a group lesson (included in the weekday price)
- Lesson duration is approximately one hour based on the student's ability level and needs.
- Lessons MUST be pre-booked one week in advance with a minimum of five (5) participants.
- We offer four (4) different levels of lessons for all ability levels:

Never Ever

1. Beginner ●

2. Intermediate ■

3. Expert ◆

Level 1 Beginner can Ski/Ride in control from the top of magic carpet

Level 2 Has been on the T-bar or Chairlift and is confident on Intermediate Blue runs

Level 3 Expert can Ski/Ride advanced runs including difficult terrain and terrain park features.

• We do our best to accommodate the groups and get the lessons out as fast as possible. Typically, snow school begins with "Never Ever and Beginner" lessons which are completed the first hour, followed by Intermediate and Advanced lessons. Evening lessons start at 5pm followed by intermediate and advanced 6pm (if numbers allow). Groups need to arrive by their designated time to ensure your lesson needs are met. At the conclusion of each lesson, the students will receive instructions on which areas of Canyon they should remain and continue to practice the skills taught.

• We understand there may be some group members who may have difficulty learning in a group setting and private lessons are required. This may be due to a mental or physical disability, or even behavioral issues. Please advise the Canyon group coordinator of any special needs in advance so we can arrange a private lesson and/or proper equipment. Furthermore, for safety reasons, any child 5 and under must be taught in a private lesson. Private lessons are an additional cost of \$60/hour.

CADS (Canadian Association for Disabled Skiing) are trained staff who are able to teach a wide range of Special Needs. If you require CADS instructors please arrange this directly with them.

TERRAIN PARK

The Terrain Park is an area with man made jumps, bumps and obstacles for skiers and boarders. Generally speaking most ski and boarding areas allow unrestricted access to the Terrain Park area. As such, we have clearly marked the area as EXPERT TERRAIN only. We allow each school to make the decision for themselves as to whether or not they will allow their group in the Terrain Park. If you are allowing access to the Park we recommend one of the accompanying supervisors to be in the area. Canyon Ski Patrol visits the Terrain Park on a regular basis but, as is the case on the rest of the Ski Area, direct supervision of your students after their lesson is the supervisor's responsibility.

SAFETY

Each participant should be provided with a copy of the Alpine Responsibility Code, which is enclosed. Reckless behavior, on and off the hill is serious and will not be tolerated. Canyon Ski Resort takes every measure to ensure that we meet the required safety guidelines for extracurricular activities, as outlined by Canada West Ski Areas Association and school boards. We are committed to providing the safest environments for learning skiing and snowboarding. As safety is our most important consideration, Canyon reserves the right to revoke the area pass of any participant for infractions of the Alpine Responsibility Code, Canyon's rules, policies and regulations. Helmets are mandatory for all those participating in school groups, and are now included in the rental package.

EMERGENCY CONTACTS

It is the responsibility of parents or guardians to ensure there is a phone number where they can be reached, and that their child and/or teacher/supervisor is aware of the contact number and has it written down. Skiing and snowboarding are sports, and like all physical sports, there are inherent risks beyond control of Canyon Ski Resort. Group Leaders are required to have all student emergency contact information with them at all times at the resort.

FOOD & BEVERAGE

Enjoy a hot meal in the lodge! Lunch, dinner and snacks are all available in the Day Lodge Cafeteria.

We can serve you up buffet style with their pre-ordered selection set out at specific times, or kids can be given a meal voucher for exchange at the cafeteria when it works best for them!

Pre-ordering saves \$\$\$ at a discounted \$15 for the fries, pop, and either a hot dog, chicken strips, or a corndog!

Otherwise meals ordered at the cafeteria are \$16+.

Meals are pre-booked one week in advance (see page 21 for group meal form).

CLOTHING

Dress appropriately for the weather conditions. You will be more comfortable if you dress in layers of non-restrictive clothing that can be altered as the temperature changes.

WE RECOMMEND WEARING:

WARM, WATER-RESISTANT JACKET AND SNOW PANTS

WARM, WATER-RESISTANT GLOVES/ MITTS

NECK WARMER OR TURTLENECK SWEATER

LONG UNDERWEAR

GOGGLES OR SUNGLASSES

WARM WOOL SOCKS (1 PAIR ONLY)

TOQUE OR HAT

HELMETS (WHICH ARE INCLUDED WITH THE RENTAL PACKAGE)

CANCELLATIONS/RESCHEDULING

- Please notify Canyon as soon as possible about any changes in the booking (e.g., the number of students, etc.) so that the hill can adjust its staffing requirements.
- Please notify Canyon 24 hours in advance if the field trip is being postponed and rescheduled for a later date due to weather concerns (e.g., the temperature is expected to be colder than -25C).
- Last minute changes are possible based on “sudden and unexpected” weather changes.

LOST AND FOUND

- Please advise students not to bring valuables to Canyon, as there are only a limited number of coin lockers. Canyon Ski Resort is not responsible for lost or stolen items.
- Due to an abundance of items left at the area, Canyon Ski Resort does not keep items longer than thirty (30) days. Items left after this will be donated to local charities.

STORAGE

- Single-use coin lockers are available on the main floor for all of your valuables. Otherwise, there are cubby holes on the walls on the main floor. This is where children need to leave backpacks and any bagged lunches.

COORDINATOR RESPONSIBILITIES

- The coordinator will need to know how many people are in the group on each day of the trip.
- The coordinator will be responsible for the supervisors, and that they will maintain supervision of their students.
- The group coordinator will pick up and distribute all passes including student, teacher, helper, parent, volunteer and watching passes.
- Canyon recommends that one supervisor from each group stay in the lodge at all times to oversee the students. They should stay in a designated group meeting area so all students can check-in with a person, should they have an issue. It is recommended that this area be in the cafeteria.
- Each day the coordinator should meet in the administrative office to discuss and finalize the invoice prior to the group departure. Preferred method of payment is a cheque.

SUPERVISION

- Students MUST be supervised at all times, on the hill and in the lodge.
- Canyon Ski Resort recommends a ratio of 1:10; 1 supervisor for every 10 students.
- Complimentary passes and rentals are given for every ten (10) paying participants. For instance, if you bring a group of forty (40) students, you would receive four (4) free supervisor area passes and rentals for SUPERVISORS only. Additional supervisors pay the discounted group rate price.

SUPERVISORS (INCLUDING VOLUNTEERS AND HELPERS)

- All available supervisors should assist with rentals, lift ticket distribution, and escorting the group around the area. Supervisors should receive the area pass after students/group members.
- Supervisors, volunteers, helpers and parents must receive their pass from the coordinator or teacher.
- **At least two supervisors will be required in the rental shop to help their student with boots and helmets**
- Once all students are finished in the rental shop, supervisors should help the instructors at the snow school meeting place in dividing the students accordingly into lesson groups etc. We recommend 1 supervisor remain indoors at all times.
- It is important to have at least one supervisor to provide assistance at equipment return and bus loading.
